

## NEWS FROM SENSATIONAL ELORA: April 2010 Issue

### SENSATIONAL VOLUNTEERS!

April 18 - 24th was National Volunteer Week, so to all of our fabulous volunteers - we couldn't do it without you! Our volunteers do everything from hanging posters to distributing flyers to running our Sensational Events. It is such a tremendous crew of dedicated people and we can't thank them enough for their time and effort in helping shape Sensational Elora into what it is today! If you're looking to give back to our community, or just have some spare time on your hands, check out the Volunteer page on our website - <http://www.sensationalelora.com/pages/volunteers.html> or email Cynthia Brown, our Volunteer Coordinator today at [cynthia@sensationalelora.com](mailto:cynthia@sensationalelora.com).

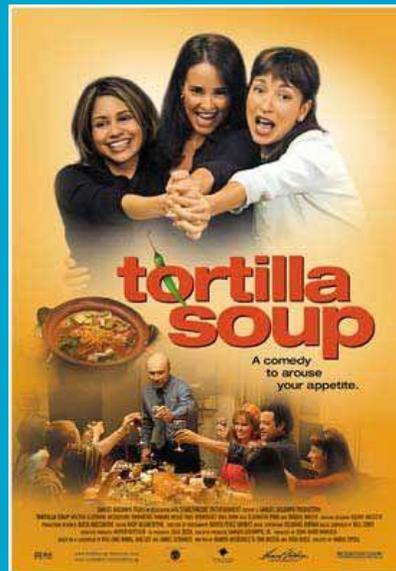

### FILM ON A PLATE NEWS!

Well folks, we have some very exciting Film on a Plate news to share with you! We've selected 2 films for the FOAP series and they are... (drumroll please)... *Tortilla Soup* and *Know Your Mushrooms*.

*Tortilla Soup* is an American flick based on Ang Lee's "Eat Drink Man Woman" about a retired Mexican-American chef who, as a widower, has lost his ability to taste, but still cooks fabulous meals for his 3 grown daughters. When he meets a new lady friend, he discovers that the recipe for happiness calls for some unexpected ingredients as charming and flavourful as the dishes it features.

*Know Your Mushrooms* on the other hand is an investigative movie about the near-secret world of fungi. For us Film on a Plate lovers, our mouths are already watering thinking about all the new varieties of mushrooms we'll be trying...
